PARK REFORM AND H.R. 260

(Mr. RICHARDSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RICHARDSON. Mr. Speaker, today the House has an opportunity to remove the "For Sale" sign from our National Park System by voting no on H.R. 260. The administration is against this bill, as well as every environmental organization.

This bill establishes a Park Closure Commission to make recommendations to Congress on which units of the National Park System should be closed, privatized or sold to the highest bidder.

If you can imagine a Walmart in the middle of Valley Forge National Historical Park or a Wendy's inside the gates of Little Bighorn National Battlefield Park, then you have some idea of the brave new world after H.R. 260.

While Congress is poised to sell off our priceless national treasures, the American people we represent are making their voices known in ever-increasing visitation numbers to the parks.

In fact, park visitation, which will hit 270 million this year, is expected to hit 360 million by the year 2000, just 5 years from now.
